DR. W. H. GREGG—Dear Sir: I have been suffering for a long time with what physicians call Diseases of the Prostate GLAND and Retextion of URINE, and was mable to obtain any relief until luned CONSTITUTION WATER, which began to produce its caratire effect after taking one or two doses, and no man can be more grateful than I at the results, having suffered all that a man could suffer, and live and rather than be deprived of the medicine. I would be willing to pay FiFTT DOLLARS a bottle for it.

It has not only cured me, but several other officers in my district have been cared by it, and I would recommend everybody suffering from any disease of the kidneys to use Constitution Water.
